1. Cut RMSCB454, 455, and 456 with blade #2808. First cut paper in half, and then trim off sides by 1/4". Cut sheets into 1" strips.
2. Use another sheet of RMSCB456 to punch file tab punch.
3. Using blade #2806, trim black cardstock by 1/4" on three sides. The fourth side, trim to 9". Cut remainder into three 3" x 9" strips. Perforate strips at 5" and 5.5". Laminate, and trim edges. Fold on perforations. Add large butterfly sticker.
4. Cut red cardstock RMSCB459, and 453 into strips 2.5" x 8.5" , and score at 4" and just under 4.5". Fold all sheets along score marks.
5. Put a small amount of glue dots on the inside of the black cardstock 'spine', then place it over other sheets, punch a hole in the 'book spine' at the top, and set eyelet.
6. Cut ric rac into 12" pieces. Run through eyelet from back, and wrap around outside of the 'spine', then tie.
7. Use paper strips, file tab punch, and glitter to decorate.
