

Matchbook Card

by Ana Cabrera

Supplies:

- 12" x 4" piece of cardstock
- 5.5" x 3.5" piece of cardstock
- Leftover Psychedelic Strips of paper
- Embellishments and letters
- Permanent Adhesive
- Purple Cows 2-in-1 Scrapbook Trimmer and Scoring Blade

1. Score the 12" x 4" piece of paper up 1" from the bottom, then fold.
2. Measuring from the fold line at the bottom of the card, score across the paper at the 5.5" point, then fold. This will be the cover.
3. Insert the piece of cardstock inside. Next, staple the bottom center of the card to create the matchbook flap.
4. Add the triangles as shown, then trim.
5. Add your sentiment with embellishments, then enjoy!
