1. Using template trace border design in pencil around all 4 sides of a piece of Lida (orange dotted) paper. Using the Freestyle straight blade, freehand cut on the drawn lines. Attach to cardstock.
2. Use Freestyle Long Wave blade and straight-edge cutting guide to cut a box approximately 8.5" x 8.5" on the Peony paper. Cut 6" x 6" opening in center using Freestyle straight blade and straight-edge cutting guide for top, bottom and center cuts. For sides, use the scoring blade and fold for the doors. Place photo on Lida paper and place this piece on top.
3. Cover the inside and outside of the door flaps with Lida Paper
4. Trim narrow pieces of Peony using pinking blade and straight guide, attach to inside border of doors.
5. Journal onto piece of Peony and cut to fit on front of doors. Cut down center and place onto doors careful to line up journaling.
6. Print title onto transparency
7. Apply rub-on under journaling, add title. Cut holly leaves and berries, put on corners. Add smaller leaves inside doors on corners. Add stars and swirls and outline with glitter gel pens. Attach single rhinestones to points of border paper.
